Controls: one or more controls may be visible or highlighted at any point of time.

Initial state: when no pictures are visible or if the user is responding to a dialog box only the Pixxa button is displayed.

Picture state: when pictures are present, display 'Like', 'Dislike', 'Prev', 'Next', and 'Pixxa' buttons.

Hover: when the mouse goes within the Like/Dislike button, a 'tooltip' is displayed above it.

Hover: when the mouse goes within the Prev button, a 'tooltip' is displayed above it.

Hover: when the mouse goes within the Next button, a 'tooltip' is displayed above it.

Hover: when the mouse goes within the Pixxa button, a 'tooltip' is displayed above it.

Mousedown on Like button can in neutral will take it into 'like' mode.

Mouseup marks this picture as "like it". Since the mouse is still within the button, the 'tooltip' is displayed.

Mousedown marks the picture as "don't like it" in dislike mode. The button bitmap is inverted.

Mouseup marks the picture as "don't like it". Since the mouse is still within the button, the 'tooltip' is displayed.

Sideline: like/dislike transitions. Not all the transitions are shown above.

Prev/next buttons highlight during mouseDowns. The sequence of clicks shown here brings you to the same place no matter where you start from, even if the pictures are randomized.

More info: clicking on Pixxa can start your browser with a page on Pixxa server related to this picture.

More info: Pixxa will start the browser.

Hovering on the previous can display the 'tooltip'.

Mousedown on Prev button takes you to the previous slide (which is not in the dislike list).

MouseStillDown on Prev button continues to take you to previous slides (which is not in the dislike list).

Control/command key combination with Next and Prev keys shows both the "like" pictures and the "dislike" pictures.

Mousedown moves you to the next frame.

MouseStillDown on Prev button continues to take you to previous slides (which is not in the dislike list).

Control/command key combination with Next shows all pictures in this collection regardless of like/dislike.
